

Report of Modbury Caring for Modbury Parish Council 09/04/19.

I am pleased to report that the charity is in good health both financially and in the number of volunteers we have been able to attract.

The recent banner advertising campaign has attracted some new befriending volunteers and drivers but of course we would be pleased to hear from more.

Sheila Harrison our befriending coordinator does a great job matching clients with suitable befrienders and overseeing the whole befriending service and would be pleased to discuss befriending with any potential volunteers on Wednesday mornings at the Parish Office.

Last Autumn we held an excellent Bingo evening at Moreleigh which raised £1100 and a successful draw at Christmas. This year we are not having an Easter draw but hope to have a cream tea afternoon in mid-summer.

May I thank Michael Tagent our treasurer, Sue Cross the secretary and the committee for all their work.

Finally the Charity wishes to thank Modbury Parish Council for the use of the Parish office and their continued financial support.

Bill Cole

Chairman
