

## **Modbury Neighbourhood Plan**

South Hams District Council have unexpectedly withdrawn from their role as developers of the proposed community housing. We have therefore requested a further extension before the Neighbourhood Plan is examined in order to review options. The Independent Examiner has agreed to this and has offered an extension to run until September 4th.

We will update with further information as the process continues.

17<sup>th</sup> June 2021

Please see below for the communications with the Independent Examiner.

Modbury NPG and Parish Council.
